

## Lesson One

Station Day

Pre-Assessment

## Lesson Two

Open

Partitioning into Equal Parts

## Lesson Three

Station Day

Problem Solving

Building with Unit Fractions

## Lesson Four

Problem Solving

Chat: Match Fractions

## Lesson Five

Station Day

Open

Modeling Fractions with Estimation

## Lesson Six

Station Day

Problem Solving

Chat: Crank Pies

## Lesson Seven

Open

Building Fractions Greater than 1

## Lesson Eight

Station Day

Open

Review and Practice

## Lesson Nine

Open

Partitioning Number Lines

## Lesson Ten

Station Day

Problem Solving

Chat: Match Fractions

## Lesson Eleven

Station Day

Open

Building Number Lines

## Lesson Twelve

Problem Solving

Plot and Label Fractions

## Lesson Thirteen

Station Day

Open

Chat: Estimate Fractions

## Lesson Fourteen

Open

Equivalent Fractions with Area Model

## Lesson Fifteen

Station Day

Problem Solving

Chat: Fricks

## Lesson Sixteen

Station Day

Problem Solving

Equivalent Fractions with Bar Model

## Lesson Seventeen

Problem Solving

Number Line Equivalence

## Lesson Eighteen

Station Day

Open

Chat: Number Line Trap

## Lesson Nineteen

Problem Solving

Comparing Fractions

## Lesson Twenty

Station Day

Open

Chat: Compare Fractions

## Lesson Twenty-One

Station Day

Problem Solving

Ordering Fractions

## Lesson Twenty-Two

Open

Review and Practice

## Lesson Twenty-Three

Station Day

Post-Assessment
