

Organizer

Order from least to greatest: 3/3, 3/4, 3/8, 3/6

A.  $\frac{\square}{\square} < \frac{\square}{\square} < \frac{\square}{\square} < \frac{\square}{\square}$

Use the rectangles to model the fractions and order from least to greatest  
5/6, 2/4, 2/6, 5/8, 1/4

B.

$\frac{\square}{\square}$

<

$\frac{\square}{\square}$

<

$\frac{\square}{\square}$

<

$\frac{\square}{\square}$

<

$\frac{\square}{\square}$

Find the mistake and put in order from least to greatest.

C.  $\frac{\square}{\square} < \frac{\square}{\square} < \frac{\square}{\square} < \frac{\square}{\square} < \frac{\square}{\square}$
